Jasper Palmer

ACADEMIC ADVISOR · CREATIVE EDUCATION · BILINGUAL ENGLISH / SPANISH

Brambleton, VA · jaspalmer@proton.me · jaspalmer.github.io

SUMMARY

Academic advisor who ranked first among the School of Visual Arts' academic advisors in a college-wide student evaluation. Carried a caseload of 400+ BFA Animation students a year from 2016 to 2019, about 600 in all, covering degree audits, semester schedules, international students' visa status and confidential student cases. Filmmaker and composer trained at SVA, bilingual in English and Spanish, who checks AI output against sources before using it.

EXPERIENCE

Independent filmmaker, composer and writer 2023 – present

- Built and maintain jaspalmer.github.io, launched July 2026, the public home of an essay-film and music series in progress.
- Developed a written method for verifying AI output and disclosing AI involvement in creative work.

Freelance: copywriting, art installation, web development · New York, NY 2020 – 2023

- Installed and de-installed exhibitions in Chelsea galleries, including the exhibition *Kara Walker: Drawings* at Sikkema Jenkins & Co. (2020), under COVID-19 testing protocols.
- Wrote advertising copy for companies' paid placements in several publications.
- Helped build client websites in HTML, CSS and Bootstrap.

Academic Advisor, BFA Animation · School of Visual Arts, New York, NY June 2016 – May 2019

- Ranked first among SVA's academic advisors in a college-wide student evaluation of advising.
- Carried a caseload of 400+ BFA Animation students each academic year, about 600 students across three years.
- Audited degree requirements for graduation candidates and built students' schedules each semester.
- Monitored international students' visa status.
- Handled and documented confidential cases involving students' health and well-being.
- Coordinated with other SVA departments on students' academic and personal needs.
- Read graduates' names at SVA's commencement ceremonies at Radio City Music Hall.

Inside Sales Manager · OSI Federal Technologies, Inc. 2015 – 2016

- Managed accounts with U.S. military clients for rugged and secure computing equipment, and closed sales through Department of Defense and defense-contractor procurement.
- Wrote messaging for marketing campaigns.

Earlier: audio-visual and projection services, School of Visual Arts (while a student) · census enumerator, U.S. Census Bureau, Northern Virginia (2010)

EDUCATION
